

## Philippians 4:6

### Easy-to-Read Version (ERV)

<sup>6</sup>Don't worry about anything, but pray and ask God for everything you need, always giving thanks for what you have

Lord Jesus I repent of my destructive ways  
Lord I believe you have the key to my Recovery  
I Pray not only for the strength to accept what I cannot Change  
But I pray for the strength to accept the one who can Change Me  
Save me Lord Jesus, for I choose to believe that you are the Christ,  
the lover of my soul and the one who can make me whole again  
Lord you know me better than I know myself  
Give me now the strength to walk in honesty  
Give me now the strength to walk in integrity  
Chase darkness away from me  
Give me now the strength to forsake my past sins  
Give me a love for the truth, which is your Word, the Bible  
And restore good health to me

So with this prayer I believe that my past sins are forgiven  
I believe that because of you I have a fresh start  
I declare because of you I can and will recover from ( \_\_\_\_\_ )  
which has brought destruction and misery to my life  
I declare that I will live and not die  
I am yours and you are mine  
And I will declare the saving grace of the gospel message to all who  
will listen and believe all days of my life.  
Amen!
